Dear Friends,

It is with much regret that I let you know that I will not be with you to celebrate "Frolic in the Fall" at Lake Cumberland this year.

My knee rehab has been very slow and is not at a point where I can dance without significant pain at the current time. Otherwise I am fine and I absolutely know that everything happens for the greater good. I trust that in this situation the same is true.

I have asked Trevor DeWitt, who runs the Swing into Spring Workshop at Lake Cumberland, to step into my shoes this Fall by managing this event. He has graciously agreed to do so this year, giving my knee a year to properly heal. He will do a magnificent job and has a great lineup of instructors for the weekend.

Please know my dancing spirit will be on the floor with you as you dance to High Horse and the many other favorites that we've shared over the years. Be well and I hope to see you soon.

Sincerely,
 Steve Smith
